

Saint John XXIII Athletic Handbook

Dear Parents and Student-Athletes,

The Saint John XXIII Athletic Department welcomes your family to our after school sports program and encourages and promotes participation to develop strong fundamentals, integrity, sportsmanship, teamwork and Christian leadership skills in a positive and motivating environment. We believe it is important for all students to experience team sport because of the life lessons taught, lifelong friendships made and the overall development of body, mind and soul. Our program focus is player development and we will strive to achieve excellence in developing fundamentals and preparing our student athletes for competition and the next level of play. Athletics are available to all students in grades 5-8.

We hope to field teams for each grade level and will field multiple teams if numbers and coaches permit. Combo teams (5/6, 7/8) will be formed otherwise. Our goal is to limit team size to twelve players to foster a quality learning environment and allow coaches to work one on one with our athletes, meeting individual needs/goals as well as team instruction and goals. This will also enable quality play during games and tournaments. Our fifth and sixth grade teams are developmental and our priority is focused on fundamentals. Our seventh and eighth grade teams will also focus on player development but will be fielded according to ability; emphasizing teamwork, attitude, work ethic, goal-setting and Christian leadership.

Enclosed in our athletic handbook is a St. John XXIII Sports Contract, medical release and emergency/physical forms, league philosophies and parent/player/coach codes of conduct. Please review and complete all forms in this packet prior to the first day of practice. Annual physicals are required for each student athlete by the Diocese of Phoenix and must be current for the school year. If a student athlete participates in multiple sports, his or her physical/contract will be on file for the entire year. A fee of \$75 will be charged for each sport that the athlete participates in. Fees make up our yearly budget and help pay for uniforms, equipment, fields, officials, tournaments and league costs. The athletic fee also includes team/personal photos along with a t-shirt. Uniforms will not be handed out until all paperwork and fees are turned in. Expectations, codes of conduct and behavioral consequences are clearly defined in our handbook and will be enforced. All Sport sign-ups are to be completed on-line on the school website under athletics prior to try-outs for each season. The athletic website will post schedules and pertinent information.

Fall Sports: Boys Football, Girls Volleyball, Cross Country

Winter Sports: Boys Basketball, Girls Softball, Soccer

Spring Sports: Boys Baseball, Girls Basketball

We will need volunteer coaches for all grade levels. If you are interested, please fill out the coach's application as soon as possible. All coaches will need to take the Safe Environment class prior to their season! Coaching responsibilities will include: developing strong fundamentals, teaching rules and proper terminology and techniques to increase sport IQ and court/field awareness, setting game/practice schedules, maintaining field/court, collecting paperwork and fees, handing out and collecting uniforms with the athletic director and organizing transportation (can be done by team parent). We have been very fortunate and blessed to have talented, experienced and knowledgeable coaches in our program. Without your efforts and commitment to Saint John athletes our program would not exist. I sincerely thank all of our coaches in advance for their time commitment and dedication to our program.

Lastly, communication between our department, administration, parents and players is crucial for success and we look forward to working together with your family to provide a quality program and experience for all involved this year.

Go Lions!!!

Catholic Youth Athletic Association Philosophy

The interscholastic athletic program of the Catholic Schools is an integral part of the education program. It must, therefore, be in harmony with the educational objectives. Any interscholastic athletic activity should teach:

1. An individual to be a responsible and contributing team member
2. Selfless effort in working with others to reach a common goal
3. Appreciation of others efforts, whether they be teammates, opponents, officials or coaches
4. An ability to keep activities and games in proper perspective

Athletics should be a significant, valuable community activity, foster loyalty, school spirit, student participation and healthy competition. Goals of the athletic program should be meaningful to all students in a school.

The main objectives of the Catholic Youth Athletic Association program should be that of developing qualities of leadership, good sportsmanship, and promoting a Christian atmosphere in which students will grow in respect and concern for others in their own environment as well as in society as a whole.

Emphasis should be placed upon the development of game fundamentals. Principals, coaches, and parents should encourage players to give their best, improve their skills and have fun when playing a game.

CYAA Season and Tournament Play

Participation in student athletics on the 5th and 6th grade level is primarily for the purpose of instruction. During season and tournament play ALL team members at all grade levels MUST PARTICIPATE IN EACH GAME the equivalent of the time requirements listed below: During season play it is strongly recommended that playing time exceed these requirements. During tournament play the same time requirements are in effect.

Football: 1 quarter

Volleyball: Minimum 10 serves per match played

Basketball: 4 minute player substitution-all players participate in the first half/Second half open
Substitutions at coach's discretion

Baseball: 3 outs or one time at bat

Softball: 3 outs or one time at bat

Where possible, schools are encouraged to sponsor multiple teams in order to provide sufficient playing time for all student athletes. C.Y.A.A. recommends "no cuts". Each team must remain together during both season and tournament play. Teams may not be reconfigured for the tournament.

No student/athlete may participate in the CYAA sports program that is in a grade under grade 5.

School Regions:

Each school will be put into a Region according to location (North, South, East, and West). Teams within each region will play each other once (minimal) during each season. Others games may be scheduled around the already set schedule. All teams must play pre-scheduled games to ensure acceptance into the tournament. If your team is unable to play in a scheduled game and you do not notify the school by 12:00 noon the day of the game, you must reimburse the opposing team the cost of the officials. Home teams must call the opposing team to confirm games by 12:00 noon the day of the game to preclude a possible cancellation. Each team must bring the following to all tournament games: Pinnies and First Aid Kit.

The CYAA Tournament will be double elimination with the top two teams from each Region Tournament playing for the Championship. Regions are subject to change.

Role of the Coach

A coach has a strong influence on the children with whom he/she works. Therefore, it is of utmost importance that a coach in the CYAA league, display the qualities of good sportsmanship and Christian attitudes. A coach should be aware of his/her opportunity to instill Christian attitudes and characteristics in layers while on the playing field. It is the responsibility of the official to verify all concerns regarding tournament play. If someone does approach the bench it may result in a technical foul, ejection and/or forfeiture of the game.
35. Bring to the tournament our own pinnies.
36. Bring a first aid kit to all games and practices.
37. Assign athletes to vehicles when carpooling to games and tournaments and make sure Driver Information forms are current and on file in the school office.

The coach will not participate in the next scheduled game. If warranted, further action will be taken by the school principal, the Athletic Director and the CYAA board.

Saint John XXIII asks that each coach check with AD to make sure entire team has turned in all paperwork before uniforms are issued. Because of difficulties in the past years we will not give an athlete a uniform unless they are in compliance. This could result in games being forfeited. Coaches are asked to collect all the uniforms at the last game and turn them in at one time. Team parents could be helpful in collecting paperwork, fees and uniforms. They can also help arrange transportation to and from games/tournaments.

*All coaches will provide parents and athletes with their philosophies and expectations during the first week of practice.

Please sign the Coaches Code of Conduct sent from the AD. Please keep this handbook and set of individual sport rules for reference. Thanks again for your cooperation.

Role of Parents

Parents of children participating in the CYAA program should be made aware of the philosophy and guidelines as presented in the CYAA handbook.

Parents should be encouraged to take an active part in the CYAA athletic program at Saint John XXIII.
